for ACT Bern: Cellular Edition

ACT is an annual performance festival that gives young art students the opportunity to explore the breadth of performative practices. Under current pandemic conditions, ACT is finding to new forms and formats and will take place this year in small, intimate, and private settings.

We are looking for you to host an ACT performance. You would provide a space of your choosing (a living room, garage, yard, or unused workshop, for example) and a little bit of your time. In return, you will receive a performance created by one of the students for you and maybe a small group of your friends or family (as the situation allows), in your space.

Send us a few words about yourself and photos of the space you would provide and we will contact you with further information. For any questions, please contact us at: [act@hkb.bfh.ch](mailto:act@hkb.bfh.ch) or 076 523 80 66.
