

TOGETHER ELSEWHERE

Together Elsewhere is a monthly performance series organized by [PAB - Performance Art Bergen](#) and [PANCH - Performance Art Network Switzerland](#) for online live streaming by [Mediathek of the Academy of Art and Design](#), University of Applied Sciences Northwestern Switzerland (FHNW), Basel. Started from July to November 2021 if successful the project will be continue in 2022.

Two artists, one from PAB and one from PANCH, perform at the same time in their different locations. Together, the artists will choose the same type of space to perform. For example white cube, gallery space, domestic space, urban garden, mountain, waterside etc. It is important that both have access to the Internet for streaming via Zoom. They choose also materials of their choices so each artist select three materials and the other will try to obtain the same. Both will have six materials which are the same or as similar as they can find. And thirdly, they also decide together on the performance time. Duration of all performance is 30 minutes during weekday (Monday to Friday). The artists are invited in PAB-Norway via an open call and in PANCH-Switzerland by the performers themselves according to the principle of the relay.

The performance will be streaming live on the screen side by side, using Zoom application. Viewers can watch the performances online via the link below. The streaming as well as the archiving of the performances will be done by the [Mediathek of the Academy of Art and Design](#), Basel.
