

Open Call 1 - Surprise Performance

All performers are invited to come and perform spontaneously or planned!

Wednesday	13.07.2022
Wednesday	20.07.2022
Sunday	24.07.2022

Time: 17:00 – 19:00h

Place: in or around the PANCH-Pavillon in the park of the Museum Tinguely.

For once we want to forget the artists' egos and show performances without naming names.

For once the order of consideration after registration is reversed. True to the motto "the last will be first". No fixed programme will be written.

Performances can be registered until the start at 17:00 so that it remains as open as possible for spontaneity and surprise. The duration of the performance can be very short, but no longer than two hours.

A photo with the names of the performance artists will be taken during the performance. This will be used for documentation.
